As parent/guardian of the above named child, I have read, fully understood and I am satisfied with the details supplied about the above mentioned activity and agree to my son/daughter taking part in it. I know of no medical reason why he/she should not participate.

I am aware that the Academy only provides cover against proved or agreed negligence by the Academy and its employees and that I should consider making my own insurance arrangements for personal accident cover for my son/daughter for school activities in the U.K.
