8th June 2018

Dear Parents/Carers

Ofsted Inspection of Wedmore First School Academy and Nursery – 2nd May 2018

I am pleased to advise you that the outcome of the above inspection has confirmed the School continues to be '**Good**'. The letter from the Inspector can now be seen on the School website.

Given the changes necessitated by the unforeseen and unavoidable absence of Mrs Hipwell during 2017, it is a very satisfying outcome and a great credit to the senior management team of Miss Mawdsley, Mrs Ham and Mrs Ellis. My thanks to them and also to all the teaching and support staff at the School.

It was again very rewarding to be made aware that the behaviour and attitude of the children was excellent. They continue to be a great credit to the School.

Yours sincerely

Derek Logan
Chair of Governors
