

SPACE

National Curriculum

In Literacy we will be looking at non-fiction. This will involve finding out facts related to our topic and creating a factual piece of writing. We will be learning about definitions and alphabetical order. We will be writing a recount about a school trip and learning about stories with familiar settings.

As Mathematicians we will be following White Rose scheme of work.

As Scientists we will be learning to identify planets and understanding seasonal changes and the weather.

As Historians we will be studying the history of space travel and finding out about the moon landings.

As Geographers we will be locating Wedmore on a map and identify countries in the United Kingdom.

As Artists we will be creating space related pictures. We will be making our own planets from papiermâché.
