

2018/19 School Admission Arrangements

Introduction - The Wessex Learning Trust

The Wessex Learning Trust is a forward-looking family of academies working in partnership to provide the highest quality of education within an environment that promotes care, respect and responsibility. It sets high standards in all aspects of school life. Admission applications are welcomed on behalf of any child.

In accordance with the requirements of the 2014 School Admissions Code, the Wessex Learning Trust has developed and published these Admission Arrangements to help explain the admission application process clearly and comprehensively, so that parents and children are suitably informed when choosing and applying for a preferred school setting. Every admission application received will be administered in a fair and equitable way, in strict accordance with published policy and practice.

The 'day to day' management of school admissions is delegated to an Admissions Committee established within each academy. If you would like to discuss your specific requirements or need further help with any aspect of the school admissions process, please contact the preferred academy. It is recommended that you also visit the academy websites which provide a lot of useful information about the Wessex Learning Trust community and curriculum.

These Admission Arrangements apply for the following academies which are affiliated to the Wessex Learning Trust:

1.0	General information
1.1	The statutory basis of School Admission Arrangements
	These Admission Arrangements comply with the requirements of the 2014 School Admissions Code and the 2012 School Admission Appeals Code issued by the Department for Education under Section 84 of the School Standards and Framework Act 1998 and are reviewed and published annually by the Wessex Learning Trust (the Admission Authority). Should the Trust propose to alter these Admission Arrangements (other than for matters of statutory compliance), a public consultation will be conducted in accordance with the procedure specified in the 2014 School Admissions Code. Any concerns regarding statutory compliance, fairness or equality of local policy/practice, should be directed to the Wessex Learning Trust. If the matter cannot be resolved locally, a complaint may be raised with the Office of the Schools Adjudicator (see Part 7 for contact details).
1.2	Who can apply for a school place?
	A parent, registered carer, or other person/organisation that has responsibility for the child concerned (referred to throughout this document as 'the parent') may submit a school admission application on behalf of that child for any United Kingdom (UK) state funded school.
1.3	The child
	Any child aged four and above who resides within the UK has a right to receive full-time education at a United Kingdom (UK) state funded academy/school. The child/young person must, at the time of applying for a school place, have European Economic Area Citizenship (this includes British citizenship), or hold an appropriate Home Office Visa entitling him/her to reside in the UK.
1.4	The home address
	For admission purposes, the Wessex Learning Trust considers the home address to be: The address at which the child concerned is living at the time of application, with his/her parent(s) for more than 2.5 school days per week. This address should be clearly stated on the application form. If the child will be moving to a new home address and the parent wishes this address to be used for admission purposes, one of the following documents must be made available in conjunction with the Admission Application Form: <ul style="list-style-type: none"> • A legal 'exchange of contract' which confirms the purchase of the property • A copy of a formal tenancy agreement (minimum six-month term) signed and dated

	<p>by the applicant and the Landlord for the property</p> <ul style="list-style-type: none"> Where the property is/will be owned by a person other than the parent (for example; extended family member, emergency or public accommodation) - A formal written letter, signed and dated by the person responsible for the address in question, which confirms the residential/care arrangements for the child. This must state how long these arrangements are expected to remain in place. For Children of UK service personnel with a confirmed posting to the area or Crown servants returning from overseas: An official letter confirming a relocation date and Unit postal address or quartering area address
1.5	Siblings
	<p>The oversubscription criteria set out in section 5.2 of these admission arrangements includes criteria which relate to children with a sibling attending the preferred school.</p> <p>If a parent would like his/her child to be prioritised against one of these sibling criteria, the sibling's details must be provided on the admission application form. The named sibling can be a full, half or adopted brother or sister, or another child, who lives for the 'majority' of his/her school time (more than 2.5 school days per week) within the same family unit and at the same home address.</p> <p>The Published Admission Number/Admission Limit will be exceeded in order that multiple birth siblings of the same family (twin, triplet etc.) can all be offered places, where otherwise one or more of these children would be refused if the Admission Number/Limit was adhered to.</p>
1.6	Waiting lists
	<p>When an admission application is refused, the child's name will be entered onto a waiting list for the required year group, which will be maintained until the end of the school year in question and then shut down. Names are held on waiting lists in strict ranked order, which indicates how he/she qualifies against the published oversubscription criteria. Each time a name is added, the waiting list will be re-ranked. If a place becomes available in the required year, this will be offered for the child ranked highest on the waiting list at that time. A child's name will be removed from the waiting list if a place is offered and accepted, offered and declined, or the parent requests in writing that the school removes his/her child's name.</p>
1.7	Misleading or false information
	<p>If the Admission Authority becomes aware that a school place has been secured for a child due to the provision of misleading or false information, it will consider withdrawing the offer, or where a child has already started to attend the school, may remove the child from the school roll. Before doing so, the circumstances of the case will be discussed with the parent and, where required, the application will be considered afresh taking account of any new information.</p>

2.0	Applying to start school in Reception or for transfer to Year 5 or Year 9 in September 2018
2.1	The Published Admission Number (PAN)
	<p>Applications to start or transfer school in September 2018 are considered by local authorities during the 'normal' admissions- round which applies for new entry to school. A statutory Admission Number (PAN) must be published for the years of entry and for the Wessex Learning Trust these are set out in the introduction to this document. The PAN indicates the number of places that can be offered within the resources available and, where appropriate, the need to maintain the size of infant classes within the requirements of Infant Class Size legislation (this limits Reception, Year 1 and Year 2 classes to no more than 30 children per teacher, unless a child qualifies as a 'permitted exception' admission in accordance with</p>

	<p>section 2.15 of the 2014 School Admissions Code).</p> <p>If fewer applications are received than the PAN set for the respective year of entry, every applicant will be offered a place for their child, without condition. If the total number of applications received exceeds the PAN, the Admission Authority will consider every application against the oversubscription criteria which is set out in section 5.2 of these Admission Arrangements. The Admission Authority will sort the applications into ranked order and identify a priority for the offer of places up to the PAN.</p>
2.2	<p>Submitting an Admission Application Form</p> <p>For a child to start or transfer school in September 2018, the parent must complete the Common Application Form (CAF) available from the 'home' local authority. The application will be considered as 'on time' if it is submitted to the home local authority by the following dates/times:</p> <p>Transferring to Year 9: 23.59 hours on 31 October 2017 Starting school in Reception or transferring to Year 5: 23.59 hours on 15 January 2018</p> <p>The CAF may be completed and submitted using the local authority 'on line' procedure, or as a paper form. Full details concerning the application process, as well as information about the schools in the local authority area, are explained in the 'Composite Prospectus' document, which each local authority must make available on 12th September annually.</p> <p>For those families who are resident in Somerset, the 'home' local authority is Somerset County Council: schooladmissions@somerset.gov.uk</p> <p>For those families who are resident in North Somerset, the 'home' local authority is North Somerset Council: www.n-somerset.gov.uk</p>
2.3	<p>Late applications</p> <p>If the application form is submitted to the home local authority after the relevant application deadline stated in section 2.2, it will be considered as 'late' and will <u>not</u> be administered until all on time applications have been processed. By this time, there may no longer be a place available at the preferred school(s). Some local authorities publish specific dates for a second admissions-round within which 'late' applications will be administered. Local authorities must coordinate starting and transferring school applications until 31 August 2018.</p>
2.4	<p>Notifying the application decision</p> <p>Parents will receive an admission decision in writing from their <u>home</u> local authority on or about the following dates:</p> <p>Transferring to Year 9: 1 March 2018 Starting school in Reception or transferring to Year 5: 16 April 2018</p> <p>The method of informing the decision varies across local authorities but is set out in the Composite Prospectus issued by each authority.</p>
2.5	<p>Education Health and Care Plan (EHCP)</p> <p>A place will be made available for any child who has an EHCP (formerly a Statement of Special Educational Needs) agreed between the Local authority and the Wessex Learning Trust. The place will be made available at the academy named in the EHCP, above the PAN if places have already been offered up to this limit at that time.</p>
2.6	<p>Starting school in Reception on a full time basis</p> <p>A child must attend school on a full-time basis from the term following the fifth birthday</p>

	(compulsory school age). However, a parent may apply for a child to start school for the first time in the September following his/her fourth birthday and, where a place is offered, may choose for him/her to attend on a full-time basis from day one, even though not yet of compulsory school age.
2.7	Deferred entry to Reception and part time attendance
	A parent may choose to defer a child's entry until later in the same school year, or to agree arrangements for the child to attend on a part time basis until he/she reaches compulsory school age. However, it is not permitted to defer entry beyond the point at which the child reaches compulsory school age, or beyond the start of the last term in the school year. The Wessex Learning Trust operates a three-term year.
2.8	Starting School - summer born children (born 1 April – 31 August)
	<p>A parent of a 'summer born' child who will not reach compulsory school age during the 2018/19 school year can lawfully choose to delay his/her entry to school until September 2019. In these circumstances, the parent must decide whether they would like to apply for their child to have a 'retained' place in the 2019 Reception Year or to join Year 1 (the relative age year group).</p> <p>If applying for a 'retained' Reception place in 2019, the following process must be followed:</p> <ol style="list-style-type: none"> 1. The parent <u>must</u> apply to the 'home' local authority during the 2018 'normal' admissions-round, making it clear on the application form that he/she wishes to delay the child's entry until September 2019 and to apply again at that time for a retained place in the Reception year group. As much information as possible should be submitted by the parent to support the case for a retained Reception place. 2. On receipt of the September 2018 Application Form, the home Local Authority and Admission Authority will formally note the parent(s) instruction and will <u>not</u> process the 2018 Admission Application Form any further. Effectively, the child concerned will no longer be part of the 2018 'normal' admissions-round. 3. The Admission Authority will then consider the parents request that he/she be allowed to apply for a retained Reception place in September 2019, rather than having to make an In-Year application for a place in Year 1. The Admission Authority will make this decision based on the circumstances of the case and 'what is considered by the Admission Authority to be in the best educational interests of the child concerned'. The Admission Authority might choose to involve professional advisors where this is considered necessary to inform this decision. The decision will be issued in writing to the parent as soon as possible after the September 2018 application is received. 4. Where the Admission Authority decision is to support the parents request for a retained September 2019 Reception application: The parent must then wait and make an application as part of the <u>2019</u> 'normal' admissions-round in accordance with the application process set out in the 'home' local authority 2019 Composite Prospectus document. This will be made available by the local authority from 12th September 2018. The parent should also take account of the published 2019/20 Admission Arrangements which apply to the school. 5. If the school is undersubscribed with reception applications for September 2019, the applicant will receive the offer of a place (without condition) for his/her child on or around 16th April 2019. If the school is oversubscribed with applications for September 2019, every application (including delayed entry) will be considered against the published

	<p>oversubscription criteria and placed in ranked order, identifying a priority for the offer of available reception places. <u>There can be no guarantee of a place being available to offer.</u> This will be dependent on the 2019 application ranking exercise.</p> <p>6. If the September 2019 (retained) reception application is refused, the right of appeal will apply.</p> <p>7. If a parent chooses to delay his/her child's entry until 2019 and apply for the child to join <u>Year 1</u> (the relative age group) he/she will need to submit an In-Year application within six school-weeks of the place being required.</p>

3.0	Applying for transfer to Year 12 (joining the Sixth Form) at The Kings of Wessex Academy
3.1	The Published Admission Number (PAN)
	The statutory PAN for Year 12 is set out in the introduction to these Admission Arrangements. This indicates the number of places that can be offered for new entry to the Sixth Form, for students joining externally who pass the minimum Sixth Form academic entrance requirements. A place will always be made for Kings of Wessex Academy students who wish to move from Year 11 to Year 12, providing they meet these same entrance requirements.
3.2	Oversubscription
	If there are more external applications received than places available (15), the oversubscription criteria set out in section 5.2 of these admission arrangements will be applied for every application received. The Admission Authority will sort the applications into ranked order and identify a priority for the offer of places up to the PAN, subject to examination results.
3.3	Timetable
	<ol style="list-style-type: none"> 1. A Sixth Form Open Evening will be held during October 2017 and this will be advertised in the local press and on the School website. 2. A Prospectus, and the 'Sixth Form' Application Form will be made available at The Kings of Wessex Academy Sixth Form Open Evening. 3. Completed application forms must be submitted directly to The Kings of Wessex Academy Sixth Form Office Manager to arrive by 4.30pm on 21st December 2017. 4. Decision letters will be issued to external applicants on 23rd March 2018 (At this stage, offers will be provisional, subject to achieving GCSE Sixth Form entrance requirements). 5. Confirmation of offers to external applicants will be notified following the outcome of examination results, at the end of August. 6. In the event of oversubscription (more external applications than places available) a waiting list of those students refused admission to Year 12 will be maintained until 31 December 2018.
3.4	Application Form
	Applications for The Kings of Wessex Academy Sixth Form (Years 12 and 13) will only be accepted if they are made using the 'Sixth Form' Application Form which is available to download from the Academy website or as a paper copy upon request to the Academy Office. The Application Form will also be made available at the Sixth Form open evening.
3.5	Late applications
	External applications for places in the Sixth Form, received later than 4.30pm on 21 st December 2017 will not be processed until all 'on time' applications have been administered and provisional decisions notified on 23 rd March 2018. Late applications will be administered

	on a first come first served basis, at which time there may no longer be places available.
3.6	Minimum entrance requirements
	The minimum academic entrance requirements for admission to the Sixth Form are clearly published on the Academy website annually from October 2017. These apply equally for internal and external applicants and evidence of examination results must be provided before the offer of any provisional place will be confirmed.

4.0	Changing school – The ‘In-Year’ application process
4.1	The Admission Limit
	The Admissions Committee within each academy will set an admission limit for every year group other than the point of entry (for which a statutory admission number is published). Admission limits are set in accordance with the level of resource available and to ensure that as many places as possible can be offered without prejudicing <i>‘the efficient delivery of education and/or the efficient use of resources’</i> or (where applicable) unlawfully breaching the statutory Infant Class Size limit. In determining admission limits, the Admissions Committee will take account of factors such as school budget, accommodation, class organisation, the specific needs of the children on roll and the wellbeing of pupils and staff. Consequently, admission limits may be varied from time to time and so the number of places that can be offered will alter accordingly.
4.2	Submitting an in-year application
	The In-Year Application Form is available to download from each academy website or can be provided as a paper form via the academy offices. The Application Form may be completed and returned to the preferred academy at any time, although it will only be administered during school term time and within six <u>school</u> weeks of the place being required, unless the application is for a child from a Service family or the parent is a Crown Servant returning from overseas. In these circumstances, an application will be considered further in advance providing an official letter is submitted with the application, which sets out a relocation date and confirms a Unit postal address or quartering area address.
4.3	Applying for a year group other than the child’s relative (chronological) age
	<p>The In-Year Application Form will usually be submitted for the year group associated with the child’s age. However, a parent may apply for an alternative year group where he/she considers this would be in the best educational interests of the child concerned. The application must be accompanied with as much information as possible to support the case for ‘retaining’ or ‘accelerating’ the child.</p> <p>The Admission Authority will decide on a ‘case by case’ basis whether to support the parent’s request, taking account of the information provided and what is considered by the Admission Authority to be in the best educational interests of the child concerned. Where an application for a ‘retained’ or ‘accelerated’ placement is refused, the Admission Authority will further consider whether a place can be offered in the child’s relative age year group. The applicant will have the right to appeal the decision where a place cannot be offered in the relative age year group.</p> <p>‘Retained’ and ‘accelerated’ placements secured through the In-Year admissions process will be reviewed annually in conjunction with the child’s parent.</p>
4.4	Notifying the admission decision
	A decision letter will be issued to the applicant within 10 <u>school</u> days of receipt of the completed application form, unless it is decided that supplementary information is required before a decision can be taken. The applicant will be notified of the admission decision by first class letter post.

	Whether a place can be offered in the required year group will depend on the circumstances at the school at the time the application is considered. The application will be refused where a further admission would impact negatively on the school and so prejudice <i>'the efficient delivery of education or the efficient use of resources'</i> or breach the statutory Infant Class Size Limit.
4.5	Accepting the offer of a place
	The Wessex Learning Trust regularly receives applications for its academies, so where a place is offered, it is very helpful if the applicant can confirm acceptance of the offer (by letter or email) as soon as possible after receiving the decision letter. However, the offer will remain available for six school weeks from the date of the decision letter, at which point it is expected that the child concerned will be attending the academy. If the child is not on roll and regularly attending within this time frame, the Admission Authority will write to the applicant with a view to withdrawing the offer and making the place available for another child.
4.6	Applying the Fair Access Protocol
	The Admission Authority is committed to 'Fair Access to school for every child'. Therefore, where an application is refused <u>and the child concerned is not on roll or attending another school</u> , the Admission Authority will consider whether the child identifies against any of the criteria set out in the Somerset County Council Fair Access Protocol (FAP), which is published on the council website. Where this is the case, the Admission Authority will inform Somerset County Council and provide a copy of the completed In-Year Application Form. This will enable the Council to decide whether to engage with the applicant and help secure a suitable educational placement without undue delay.
4.7	Children who are the subject of an Education Health and Care plan (EHCP)
	If a child is the subject of an EHCP (formerly a Statement of Special Educational Needs) which names a specific school, his/her parent should consult the local authority that issued the EHCP, <u>before</u> applying for the child to change school. This Local Authority must be involved in the process of agreeing any change of school.

5.0	The Oversubscription Criteria
5.1	Oversubscription
	If there are more applications received at any one time than there are places available within the preferred year group (oversubscription), the Admission Authority will consider every application received at that time against the oversubscription criteria set out in section 5.2 of these Admission Arrangements. This will enable the Admission Authority to sort the applications into ranked order and identify a priority for the offer of available places. The oversubscription criteria will also be applied where it is necessary to rank a waiting list.
5.2	The Oversubscription Criteria
	<ol style="list-style-type: none"> 1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who, at the time of application, is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22 (1) of the Children Act 1989 applies). 2. Children of Staff who have been employed by the Wessex Learning Trust on a permanent contract for at least two years prior to the submission of the admission application, or children of a newly recruited teacher, appointed to satisfy a demonstrable skills shortage.

	<ol style="list-style-type: none"> 3. Children residing within the overall Wessex Learning Trust catchment area who, at the time of application, have an older sibling on roll at the Academy for which the application has been submitted and who lives at the same home address. 4. Children who reside within the catchment area of the Academy for which the application has been submitted or with a confirmed move to a home address within this catchment area, which can be evidenced at the time of application. 5. Children who, at the time of application, have an older sibling attending the Academy for which the application has been submitted and who lives at the same home address 6. Children who reside within the overall Wessex Learning Trust catchment area or with a confirmed move to a home address within this catchment area, which can be evidenced at the time of application 7. Children not satisfying a higher criterion <p>Notes:</p> <ul style="list-style-type: none"> • Refer to section 1.4 of these Admission Arrangements for the definition of ‘home address’ • Refer to section 1.5 of these Admission Arrangements for the definition of ‘sibling’
5.3	Prioritising applications by distance measurement
	<p>In the event of oversubscription, applications are prioritised by ranking them against the oversubscription criteria until the Published Admission Number (PAN) or admission limit is reached (PANs are set out in the introduction to these Admission Arrangements). If this limit is reached part way through an oversubscription criterion and there are still some applications left to rank, there will be a need to further refine the order of the applications satisfying this ‘cut off’ criterion and those which qualify against a lower criterion.</p> <p>The ranked order of these applications will be determined by calculating the straight-line distance between each child’s home and the Academy concerned, with the shorter distance receiving the higher priority. Distances will be calculated electronically using digital mapping software and Ordnance Survey ‘National Address Base’ coordinates and measurement will be to a minimum of three decimal places accuracy. In the case of a multi-dwelling building such as a block of flats, the same distance will apply for all occupants.</p>
5.4	Applying a tie-breaker
	Where two or more distances are exactly equal and it proves necessary to sort the associated applications into ranked order, this will be decided by the drawing of lots. This activity will take place at the Academy and be supervised by a person entirely independent of the Wessex Learning Trust.
6.0	Lodging an appeal
6.1	The legal right to an appeal hearing
	The administration of school admission appeals is subject to a statutory procedure set out in the 2012 School Admission Appeals Code issued by the Department for Education. Any

	applicant whose admission application is formally refused is lawfully entitled to appeal this decision. The refusal letter issued on behalf of the Admission Authority will explain how an appeal may be lodged using the Appeal Form which is available to download from each academy website, or as a paper copy from the academy offices
6.2	The Infant Class Size Appeal
	The grounds on which an appeal panel can uphold an appeal are very limited where the decision to refuse admission was taken because the admission of a further child would breach the statutory Infant Class Size Limit. Section 4 of the 2012 School Admission Appeals Code specifies four conditions which an independent appeal panel must 'test' at an Infant Class Size appeal hearing. Appellants are advised to refer to this information when considering lodging an appeal.
6.3	The Appeals Timetable
	The Wessex Learning Trust publishes an Appeals Timetable on each academy website by 28 February every year. This sets out the statutory time frame within which an appeal hearing must take place as well as the administrative timeframe within which the Trust undertakes to process an appeal lodged with any of its academies.
6.4	Complaints about the administration of the appeals process
	The decision of an independent appeal panel is binding on all parties. However, where there is concern that the appeal <u>process</u> has not been administered in accordance with the 2012 School Admission Appeals Code, a complaint may be raised with the Wessex Learning Trust via any of the academy offices. Where no local resolution is reached, the parent may escalate the matter to the Education Funding Agency for further consideration.
