Notes

These items **must not** be brought on the trip:

- Mobile phones
- Electronic games
- Jewellery (either expensive or of a sentimental value)
- IPods or other mp3 players
- Money
- Food or sweets

Please note that all of your child's clothes should be **clearly marked with their name**. Please also ensure that all luggage is labelled with the child's name and school.

Children will need to be able to carry their own luggage from the coach to their accommodation, which is something they will need to bear in mind when they are packing.

Important – **all medication should be handed to the adults** accompanying the course, with their name, full instructions of dosage, timings and other relevant information, attached.

It is really helpful if your child can do the packing with you so that they know what they are taking with them and where it is! Have fun!!!
