- ◆ Annabel and Evelyn for their maths work on time and use of a protractor and compass;
- ◆ Phoebe, Toby, Annie and Akira for their writing using possessive apostrophes.

Ofsted visit

It was an important day for this week following the call at lunchtime on Tuesday to say that we were to be inspected on Wednesday. Our last Ofsted inspection was in June 2014 so we were due a visit at some point this year. Thank you for the many 'Good Luck' wishes that we received; they were much appreciated. It was a busy day for us and the children were brilliant, some of them having the opportunity to chat to the inspector as she spent time in the playground and dinner hall. The staff are very much looking forward to the long weekend to recover from this week!

NSPCC Speak Out Stay Safe

The NSPCC will be hosting an online safety workshops for parents and carers at Wedmore First School Academy on Tuesday 8th May at 2.30pm. We would like to invite all parents and carers to join.

The hour-long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online. If you would like to attend please let the school office know.

KS2 visit to the SS Great Britain

KS2 had a wonderful day at the SS Great Britain on Tuesday, as part of their Bristol topic. We had a guided tour of the ship, a look around the new Brunel Experience Museum and a workshop exploring how the ship was built and re-enacting its launch. A big thank you to all those who helped make the day such a pleasurable and valuable experience.

School Council Toy Sale

The School Council met last week to discuss what new Huff and Puff equipment they would like to spend their Coin Challenge money on and to start thinking about this term's fundraising event. They would like to have a toy sale. This will be held on Thursday 28th June at the end of the school day. Please have a sort out during half term to see if there are any good condition toys that you would be able to donate to this. We will collect these in school from the start of the week that the toy sale is being held.

Times Table Rockstars

We have signed our pupils up to the following sites to support their learning in maths and reading accordingly. Each pupil has a specific log in so they can access these sites at school as well as at home. These have already been distributed however, if your child has lost their log in pass please speak to their class teacher.

The school website contains lots of helpful how to guides for using the programme. These can be found on the Curriculum page under Key Information.

The website is <https://ttrockstars.com/login>.

Sun Cream, Hats and Rain Coats

Please ensure your child comes to school with sun cream applied and hats on sunny days. Don't forget to bring in a rain coat for wet days.

iPads

A massive thank you to our wonderful PTA team and to you, the families, who support their many endeavours to provide additional items to enhance our school. Their hard work and your kind donations have recently resulted in the purchasing of 16 iPads. These, alongside the 16 new laptops recently invested in by school will make the use of IT to support learning much easier and better. There has been much excitement in classes that have used them this week!

PE Kits

Please make sure that your child's PE kit is in school everyday. This is particularly important in the run up to sports day when we will be practicing the events.

School Meal Payments

Please can we remind parents to check the school lunch balance on their child's account via your Tucasi online account. If the balance is showing in red and a negative number this amount is owing. To reduce the amount of cash held on the school site this is our preferred method of payment. If you have any concerns or require a new code please speak to the school office.

PTA CAKE SALE in honour of the Royal Wedding

To celebrate the wedding of Prince Harry and Meghan Markle the PTA will be holding a cake sale after school on Friday 18th May.

All cakes homemade or shop bought are very welcome. Please leave at the school office on Friday 18th May.

For any mini Mary Berry bakers.....there is a competition for the best decorated cupcakes that depict 'the Royal Wedding' theme. Please can the children let the office know of their entry on the Friday morning. All entries will be judged in the morning and the winner will be announced in celebration assembly!

School Pool

Despite the delay in the summer weather arriving, the PTA are currently busy getting the school pool ready to open. Fingers crossed it will be ready for use from the May half term in just a few weeks time!

The PTA have recently purchased some new benches (courtesy of the Beer Festival Committee who have kindly given the money to do this). Consequently, we are looking for some help in putting them together! If you are available and could lend a willing hand please contact Amelia or Gemma (gemma.pta@outlook.com)

We are also looking for some additional parasols to help provide some shade! If anyone has one that is no longer being used we would be very grateful for its use!

Wedmore Street Fair Poster

Don't forget to get your Wedmore Street Fair Posters back in by Monday 14th May. Designs may take the form of a picture, illustration or pattern and should link to the theme of 100 years since the end of WW1. There are prizes for each year group to be won! Good luck!

PTA Lottery Winner

The latest lottery winners are Jackie Reeves and Sarah Tipping. Your winnings can be collected from the school office.

PTA Summer Disco

Letters have gone home today with the children for the PTA Summer Disco on Thursday 24 May. If your child would like to attend please return the consent form and payment to the school office.

Reception Disco – 2.45 – 3.15pm.

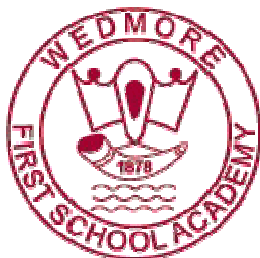

Year 1 and 2 Disco – 3.30 – 4.15pm (children will be taken from their class at the end of the day straight to the disco).

Year 3 and 4 Disco – 4.30 – 5.15pm.

If you are able to help, please indicate this on your child's form.
