

Wedmore First School Academy & Nursery

Prime times – Snack-times and Mealtimes

Children are supervised during mealtimes and always remain within sight and hearing of staff.

Snack times

- A 'snack' is prepared mid-morning and mid-afternoon and can be organised according to the discretion of the setting manager e.g. picnic on a blanket.
- Children may also take turns to help set the table. Small, plastic jugs are provided with milk or children can access their water bottles.
- Children wash their hands before snack-time.
- Fruit or raw vegetables, such as carrot or tomato, are offered in batons, which children should be encouraged to help in preparing. Bananas and other foods are not cut as rounds, but are sliced to minimise a choking hazard.
- Portion sizes are gauged as appropriate to the age of the child.
- Children are not made to eat their snack if they do not want to have a snack.
- Staff join in conversation and encourage children's independence by allowing them to pour drinks, butter toast, cut fruit etc.

Mealtimes

- Tables are never overcrowded during mealtimes.
- Children wash their hands and sit down as food is ready to be served.
- Children are encouraged to choose what they want. Older children collect their lunch from the kitchen hatch and take their tray to the table. Staff collect the lunch for the younger children who remain at the table.
- Staff who are eating with the children role-model healthy eating and best practice at all times, for example not drinking cans of fizzy drinks in front of the children.
- Children are given time to eat at their own pace and are not hurried to fit in with adults' tasks and breaks. They are not made to eat what they do not like and are only encouraged to try new foods slowly.
- In order to protect children with food allergies or specific dietary requirements, children are discouraged from sharing and swapping their food with one another.

Wedmore First School Academy & Nursery

- If children do not eat their main course, they are not denied pudding. Food is not used as a reward or punishment.
- Mealtimes are relaxed opportunities for social interaction between children and the adults who care for them.
- After lunch children are encouraged to clear their plates.
- Information for parents is displayed on the school website, including:
 - Ten Steps for Healthy Toddlers https://infantandtoddlerforum.org/media/upload/pdf-downloads/HR_toddler_booklet_green.pdf
 - Daily menus including identification of any foods containing allergens
