2nd December 2024

Dear parents and carers,

Due to the extremely low numbers of children taking up places in the existing out of school provision, meeting rental costs has become increasingly difficult. We are writing to let you know that as of February 14th breakfast, after school and holiday club will no longer be run by Sharon. We have started planning towards starting a breakfast and after school provision run by Nursery and other school staff, details of this will be shared at a later date but we anticipate that it will cater for children from age 2 to Year 4 children. At this stage, there are no plans to run a holiday club but this may change. Currently, there is holiday provision locally, we will share details of all of these soon so that arrangements can be made for February half term and beyond.

Sharon will send out further communication nearer February. In the meantime, I would like to take this opportunity to thank her for her care and commitment for our children.

Yours sincerely

A handwritten signature in black ink that reads 'Shelley Kent'.
