

Wedmore First School Academy

Rooted in Community, Growing with Nature

6th March 2025

Dear parents,

I am pleased to share with you the new logo we have adopted as a school. As you know, we have a thriving pre-loved uniform shop which not only recycles school uniform, it also raises funds for the school. As previously mentioned, there will be no expectation that children wear uniform with the new logo for the foreseeable future. However, our suppliers, Deanes of Cheddar, will from now only sell uniform with the new logo (we are currently in liaison with Deanes to finalise the design.) The uniform will otherwise remain the same - knitted jumpers and cardigans will be available, as well as fleeces, tee shirts and hoodies. From September this year, children will also have the option of wearing a burgundy polo shirt or white shirt/polo shirt. This follows feedback that keeping white ones bright is a challenge, particularly for younger children.

In the meantime, I have said that parents can continue to use uniform with the old logo for up to two years from September. As always, your support is appreciated with ensuring your child is wearing everyday uniform and PE kit in line with our current policy, this includes sensible black school shoes rather than coloured trainers. If any children experience sensory issues affected by any of these items, please let me know so that we can agree adjustments.

Best wishes

Shelley Kent
