

Message from Mrs Kent

Dear families, I was proud to take part in the Wessex Learning Trust Remembrance service On Tuesday, the two children representing Wedmore First School Academy were super stars! We also had a short service back at school, staff were impressed by how respectful the children were during the 2 minutes silence and how beautifully they sang. Many classes have been learning about poppies and what they symbolise, please ask your child about this!

Shelley

Duck Class

This week in Duck class we have been thinking about Remembrance Day and the significance of the poppy. Children have been drawing, painting and making some beautiful poppies. We also had a wonderful session in the hall moving in as many different ways as we could. Our favourite was wriggling on our tummy's.

Robin Class

This week is National Nursery Rhyme week, Robins have been sharing their favourites nursery rhymes and we have done even more singing than usual. Continuing our toys topic we have been sharing and discussing our favourite toys when we were babies and looked at similarities and differences between them and some toys from the past. We have learnt why we have remembrance day and held our two minutes silence.

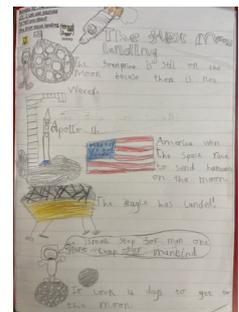

Deer Class

Deer Class have been continuing their Enquiry learning all about Remembrance. We learnt about key events which take place throughout the year and why we celebrate these events. In Maths this week, we have been introduced to the addition sign and equal sign. Great work Deers!

Rabbit Class

Rabbit Class are really enjoying learning about space. This week, the children have learnt that historical sources give us information about events in the past. We looked at newspaper articles, recounts and photographs about the first Moon landing.

Squirrel Class

We've had a lovely week in Squirrels this week, continuing with our Stone Age topic by learning to weave, learning more about fossils in Science and delving deeper into the idea of empathy, by writing a diary entry using our book *Stone Girl, Bone Girl*. We're looking forward to a great afternoon of challenges in aid of Children in Need to round things off beautifully!

Owl Class

This week, the Owls have been busy exploring electricity by creating their own circuits and learning about the different components that make them work. In English, they used their senses to inspire their writing for our Iron Man topic, imagining what the Iron Man might feel while being buried. To finish the week, the Owls celebrated Anti-Bullying Week by designing thoughtful "Comics for Kindness."

Date	Event	Details
Fri 21st	Yr2 Trip to 'We The Curious'	Details in the letter that went home
Fri 21st	Lantern Workshop	3.30-5.00pm for those booked in through the PTA
