

Message from Mrs Kent

Dear families, good attendance is a vital part of success in school because it helps children stay connected with friendships, keep up with lessons and build strong learning habits. Last week's attendance rate was 97.4% (the national figure is around 94%). This shows that most children were present and engaged, creating a positive and productive learning environment. This strong commitment helps everyone grow and learn together, thank you for your support with this.

Shelley

Duck Class

In duck class this week the children have been busy exploring repeating patterns with objects, paint and movements. We have also had lots of fun kicking and dribbling with the footballs on the field, keeping warm in the frost and cold!

Robin Class

Another busy week, we have had a great time comparing teddy bears from the past and present, one bear was over 100 years old! We have also explored the celebration of St Andrew's Day, creating our own tartan using our weaving skills and making shortbread.

Deer Class

Deer Class have been busy Mathematicians this week. We have been introduced to the concept of First, Then and Now stories using counters and pictures to represent an addition story. In History, we have been learning about trenches from WW1. We explored a range of photos and thought about what it would be like if we were there. We used our senses to explain these thoughts. Great work Deers!

Rabbit Class

Rabbit class have made aliens which look amazing! Thank you so much for all your support with this homework activity. The children have loved having them on display and talking about them. Mrs Kent will have the honour of choosing 2 of her favourites at the end of the day.

Squirrel Class

We've had a fantastic and very creative last week of November in Squirrel class! The classroom is fast filling up with everyone's amazing homework projects, ready for the Topic Showcase, and we are so proud and impressed with all the effort that has gone into these, as well as all the great Stone Age work that they have been doing with us in school. We are doing the final part of our English work on *Stone Girl Bone Girl*, learning how to research and write a biography, and continuing to learn about volume and mass in Maths - the children should be able to help weigh out the ingredients for mince pies this year! We have made some beautiful ornaments ready to sell at the Christmas Fayre on Friday, so hopefully see you there!

Owl Class

This week, Owls have been busy exploring renewable energy. They even wrote letters to our local MP, Tessa Munt, sharing their ideas on how to make our county—and the country—more sustainable. In science, they investigated electrical conductors, and in English they created beautiful poems inspired by the Space Dragon from *The Iron Man*.
Fantastic work, Owls!
