Rabbit Class Trip to We the Curious

Friday 21st November 2025

Dear Parents/ Carers,

As part of our theme 'Exploration and Discovery' next half term, we will be learning about space exploration, different materials and scientific discovery. This is a great opportunity to explore 'We the Curious' on an exciting school trip on Friday 21st November.

The trip will consist of a destination space workshop, a planetarium show and time to explore the museum.

We will leave school promptly at 9am and aim to get back by the end of the school day. If children usually go on the school bus, I suggest that for this day, alternative collection arrangements should be made. This is just in case there are any hold ups coming out of Bristol.

The children will wear school uniform and need to have: a waterproof coat, backpack, a snack and a water bottle. The kitchen will make a packed lunch with a choice of Cheese, Tuna or Ham sandwich for each pupil (Please book a main meal on MCAS but I will ask the children for their choice of sandwich). If you will be providing a home packed lunch, please let me know.

In order to ensure the safety of the children I will need additional helpers. If you are able to help on this trip, please contact me in person or via Dojo.

The cost of the trip will be £27.06 which is payable via MCAS by 13th November. **If your child is Pupil Premium or you have difficulty with payment please speak to us.**

Unfortunately, if we do not cover the cost the trip we may not be able to go ahead.

Thank you for your support.

Charlotte Bray

Yr2 Class Teacher
