Year 4 Trip to Bristol Aquarium

18th September 2026

Dear Parent/Carer,

In order to enrich and further our learning about the Ocean, all of the children in Year 4 will be going on a trip to Bristol Aquarium on **Friday 9th October 2026**.

During our visit, the children will have the opportunity to explore Bristol Aquarium and observe a wide range of fascinating aquatic creatures up close. As part of our 'Save our Seas' guided tour, they will learn more about different marine environments, including coral reefs, mangrove forests and the open ocean, and discover how these habitats are interconnected.

They will take part in an exciting workshop **about 'Coral Reefs and Climate Change'** and enjoy an exclusive fish-feeding experience, giving them the chance to see some of the animals we have been learning about at close quarters. We hope this will bring our Oceans topic to life and give the children plenty to talk about and think about when we return to school.

We will leave school on the coach at 9.00am promptly and will return for 3:20pm. Please try and drop your children nearer to 8:40am to help us leave on time. The children will need to wear school uniform as normal, please.

The children will wear school uniform and need to have: a waterproof coat, backpack, a snack and a water bottle. There will be an option to book a packed lunch through your SwiftKitchen account. If you will be providing a home packed lunch, please let us know.

The cost of the trip will be **£20.54** per pupil to cover the cost of the coach and the workshop. . **If your child is Pupil Premium or you have difficulty with payment please speak to us.**

Unfortunately, if we do not cover the cost the trip we may not be able to go ahead.

Thank you for your support.

Yours sincerely,

Mrs Young & Mrs Rawles
